## **Environmental Conference Sustainable Development: Better Quality Of Life 2012**

### **Event Report**

Date & time : 16 November 2012 (9:00 am to 5:30 pm)  
Venue : L'hotel Nina et Convention Centre at 8 Yeung Uk Road,  
Tsuen Wan, Hong Kong

Following the extremely successful conference "Green Buildings: Better Quality of Life", the Chinachem Group is organized the one-day international environmental conference "Sustainable Development: A Better Quality of Life 2012" with full supported by 24 department of schools and associations.

Moreover, Advanced Technovation Limited has been appointed to be the event manager of the conference. With professional experiences of event management in seminars and conferences, especially on-site support by Utility Training Institute (UTI) of Green Building: Better Quality Of Life 2011 with over 1000 participants, we were appointed and provided administrative on-site support for this year again.

We were providing on-site registration services, preparation of administrative materials and reception service for 500 participants, the conference was able to start on-time without delay and completed successfully.

Reception of the conference
