### Event Report

The DSD Open Day was successfully held on 11<sup>th</sup> – 12<sup>th</sup> January 2014 at Shatin Sewage Treatment Works and it has been perfectly completed. A diverse range of entertaining and educational programs were offered on the Open Day. There were thematic tours, display panels, model exhibitions and game booths, totally and HKIUS was one of the 25 company / organization booth holders. According to the information provided by DSD, open day attracted more than 11,000 person-time of entry.

The theme of HKIUS was utility management. We designed an attractive treasury game in order to let the public know more about utility industry, how we work with our equipment and how does the equipment help as well. Our booth and souvenirs attracted a lot of people and HKIUS was very successfully promoted.

On the second day, HKIUS was granted an appreciation award by Mr. W TSUI, JP, the deputy director of DSD. The open day was successfully completed at 5 pm.
